AND THE MANAGEMENT OF STUDENT CREDIT CARD DEBT.

Chair: WILLIS, R.

Motion: HURLBURT, B.

Second: ABERCROMBIE, C.

Action: Joint Favorable Substitute

Language Change: Requires the Board of Governors to adopt policies regulating credit card company marketing practices on public college and university campuses. The policies must:

- Require the companies to conduct debt education seminars for all incoming students during orientation;
- Prohibit credit card companies from soliciting undergraduate students during the orientation, class registration, or intercollegiate athletic events;
- Require credit card companies conducting on-campus marketing to distribute debt education materials along with any marketing materials;
- Prohibit the institutions and their alumni associations and foundations from selling students' or graduates' identifying information.
- Prohibit college or university employees from marketing credit cards to students;
- Restrict the time and place in which credit card marketing may occur; and
- Prohibit the use of gifts and incentives used in marketing.

Prohibits credit card companies from taking any debt collection action against the parent or legal guardian of a student to whom the company issued a card, unless the parent or guardian agreed in writing to be liable to for the student's debt.

Requires public schools to include personal finance management in their program of instruction. The law already requires the State Board of Ed to encourage and help school boards include personal financial management as part of their programs of instruction.
